

Copies of all these articles are available on HBOC's website

Title of article	Author/s	Year	Details
Birds on Newcastle's rock platforms	Herbert, C.	2007	<i>The Whistler 1: 1-15</i>
Survey of waterbirds in Port Stephens, 2004-2006	Stuart, A.	2007	<i>The Whistler 1: 16-20</i>
Bird population of a cattle property near Paterson, NSW - an eleven year study	Newman, M.	2007	<i>The Whistler 1: 21-31</i>
Ecological adaptations for Large-billed, Yellow-throated and White-browed Scrubwrens	McDonald, R.	2007	<i>The Whistler 1: 32-37</i>
Mangrove proliferation and saltmarsh loss in the Hunter Estuary	Herbert, C.	2007	<i>The Whistler 1: 38-45</i>
Occurrence of Red-backed Fairy-wren and Southern Emu-wren at Warakeila	Newman, M.	2007	<i>The Whistler 1: 46-48</i>
The Status of Black Falcon in the Lower Hunter Valley	Newman, M. and Lindsey, A.	2007	<i>The Whistler 1: 49-50</i>
Varied Sittella involved in distraction displays during June	Newman, M.	2007	<i>The Whistler 1: 51</i>
The birds of Deep Pond - Kooragang Island 1993-2007	Lindsey, A.	2008	<i>The Whistler 2: 1-12</i>
A preliminary assessment of the importance of the Manning River for shorebirds and other waterbirds	Stuart, A.	2008	<i>The Whistler 2: 13-19</i>
Smaller bird species in decline in the south-west Hunter? The lessons of ten years of atlas data	Tarrant, H.	2008	<i>The Whistler 2: 20-30</i>
Bird population of Warakeila, a cattle property in the Allyn River Valley, NSW - a twelve year study	Newman, M. and Lindsey, A.	2008	<i>The Whistler 2: 31-43</i>
Bird surveys of the Timor Caves Area 2005-2006	Stuart, A.	2008	<i>The Whistler 2: 44-48</i>
Observations of birds on Moon Island, 17 December 2008	Herbert, C.	2008	<i>The Whistler 2: 49-51</i>
Miscellaneous observations on the feeding behaviour and plumage of the Latham's Snipe	Newman, M	2008	<i>The Whistler 2: 52-54</i>
Observations of Grey-crowned Babblers communally roosting, in the evenings	McDonald, K.	2008	<i>The Whistler 2: 55-56</i>
Extended incubation period for the White-throated Nightjar	Newman, M.	2008	<i>The Whistler 2: 57</i>
The effect of habitat variables on bird density and species richness in Newcastle and Lake Macquarie mangrove forests	Goodenough, C	2009	<i>The Whistler 3: 1-6</i>

Bird populations in a rural native garden in New South Wales	Carlton, R.	2009	<i>The Whistler 3: 7-13</i>
Birds of Green Wattle Creek - monthly surveys 1996-2009	Newman, M.	2009	<i>The Whistler 3: 14-29</i>
Roosting and feeding behaviour of Pacific Golden Plover in the Hunter Estuary, NSW	Crawford, L. and Herbert, C.	2009	<i>The Whistler 3: 30-39</i>
Early Hunter Region avian records. Part 1. 1901-1925 Articles in <i>The Emu</i>	Stuart, A.	2009	<i>The Whistler 3: 40-51</i>
Notes on an old Upper Hunter egg collection	Stuart, A. and Newling, G.	2009	<i>The Whistler 3: 52</i>
Some observations on the behaviour of the Australian Painted Snipe	Lindsey, A.	2009	<i>The Whistler 3: 53-54</i>
An opportunistic observation of cooperative mobbing behaviour	Baird, P.	2009	<i>The Whistler 3: 55-56</i>
Shorebird prey item for Eastern Osprey	Stuart, A.	2009	<i>The Whistler 3: 57</i>
Curlew Sandpiper predated by a Black Falcon	Newman, M and Lindsey, A.	2009	<i>The Whistler 3: 58</i>
Grey Goshawks - seasonal abundance	Herbert, C.	2009	<i>The Whistler 3: 59-60</i>
The status of threatened bird species in the Hunter Region	Roderick, M. and Stuart, A.	2010	<i>The Whistler 4: 1-28</i>
Distribution of threatened bird species in the Hunter Region (1998-2009)	Newman, M. <i>et al</i>	2010	<i>The Whistler 4: 29-53</i>
Impacts on Speckled Warbler abundance in the Paterson area of NSW	Newman, M.	2010	<i>The Whistler 4: 54-58</i>
Evidence for the decline of the Varied Sittella in the Hunter Region	Newman, M.	2010	<i>The Whistler 4: 59-60</i>
Breeding population decline in Cattle Egrets nesting at Seaham Swamp Nature Reserve and Hunter Wetlands Centre Australia	Maddock, M.	2011	<i>The Whistler 5: 1-7</i>
A new Cattle Egret breeding colony at Gloucester, NSW	Drake-Brockman, P.	2011	<i>The Whistler 5: 8-9</i>
A ten-year study of herons, spoonbills and ibis at the Morpeth Wastewater Treatment Works near Maitland, NSW	Newman, M and Lindsey, A.	2011	<i>The Whistler 5: 10-18</i>
Monitoring the Rufous Scrub-bird in the Barrington Tops and Gloucester Tops IBA – a pilot study	Newman, M and Stuart, A.	2011	<i>The Whistler 5: 19-27</i>
Changes in the bird population of Bolwarra, 1994-2011	Tarrant, H.	2011	<i>The Whistler 5: 28-38</i>
Changes in the bird population of Blackbutt Reserve, 1973-2011	Nicholls, J.	2011	<i>The Whistler 5: 39-44</i>
Seabirds of the Hunter Region	Stuart, A.	2011	<i>The Whistler 5: 45-50</i>
Chestnut Teal count – March 2011	Lindsey, A. and Roderick, M.	2011	<i>The Whistler 5: 51-52</i>
Notes on human cover for raptors and their potential prey	Newling, G.	2011	<i>The Whistler 5: 53-54</i>

Miscellaneous notes on the behaviour of Black and Brown Falcons and Nankeen Kestrels	Tarrant, H.	2011	<i>The Whistler 5: 54-56</i>
Swamp Harrier – unusual food?	McLean, R. and Lindsey, A.	2011	<i>The Whistler 5: 57</i>
Swamp Harrier attempting to take Pacific Black Duck	Newman, M.	2011	<i>The Whistler 5: 57</i>
Robbing behaviour by Australian Pelicans	Stuart, A.	2011	<i>The Whistler 5: 58</i>
Pied Currawongs' larder	Lindsey, A.	2011	<i>The Whistler 5: 59</i>
Unrecorded behaviour of Jacky Winter	Newman, M.	2011	<i>The Whistler 5: 60</i>
Observations of White-throated Treecreeper behaviour	Newling, G.	2011	<i>The Whistler 5: 61</i>
Birds of Tomago Wetlands, Hunter Wetlands National Park 2007-2012	Lindsey, A. and McNaughton, N.	2012	<i>The Whistler 6: 1-10</i>
A census of waterbird populations (2003-2012) at Walka Recreation and Wildlife Reserve near Maitland, NSW	Baird, P., Smart, J. And Mee, L.	2012	<i>The Whistler 6: 11-23</i>
Development of a non-intrusive method for investigating the calling patterns of Rufous Scrub-birds	Stuart, A., Newman, M., Struik, P. and Martin, I.	2012	<i>The Whistler 6: 24-34</i>
Australian Pied Oystercatchers leapfrog to reproductive success in the Worimi Conservation Lands	Russell, N. and George, R.	2012	<i>The Whistler 6: 35-38</i>
Pacific Black Ducks: insights on their behaviour in an urban backyard	Feletti, G. and Feletti, A.	2012	<i>The Whistler 6: 39-43</i>
Observations of Regent Honeyeaters in the lower Hunter Valley of New South Wales during winter 2012	Roderick, M. and Ingwersen, D.A.	2012	<i>The Whistler 6: 44-45</i>
The status of Pink-eared Duck in the Hunter Region	Newman, M.	2012	<i>The Whistler 6: 46-48</i>
Olive groves – habitat for Speckled Warbler and other birds	Newman, M.	2012	<i>The Whistler 6: 49-53</i>
Cattle Egret breeding at Gloucester, NSW sustained at increased level in 2011/12	Drake-Brockman, P.	2012	<i>The Whistler 6: 54-55</i>
Distraction behaviour by Variegated Fairy-wrens	Nicholls, J.	2012	<i>The Whistler 6: 56</i>
Atypical habitat for an Australian Pelican colony	Stuart, A., Crisp, G. and Crisp, B.	2012	<i>The Whistler 6: 57-58</i>
White-faced Herons fledge two broods in one season	Drake-Brockman, P.	2012	<i>The Whistler 6: 58-59</i>
Observation of White-throated Nightjars at Tahlee, New South Wales	Roderick, M. and Filewood, L.W.	2012	<i>The Whistler 6: 59-60</i>

Flocking of Jacky Winter in paddocks during winter	Newman, M.	2012	<i>The Whistler 6:</i> 61-62
Tropical seabirds of the Hunter coastline as a result of ex-Tropical Cyclone Oswald Jan-Feb 2013	Roderick, M. and Richardson, A.	2013	<i>The Whistler 7:</i> 1-7
Flagged and colour-banded Bar-tailed godwits in the Hunter Estuary	Crawford, L. and Herbert, C.	2013	<i>The Whistler 7:</i> 8-19
Early Hunter Region avian records. Part 2. 1926-1950 articles in <i>The Emu</i>	Stuart, A.	2013	<i>The Whistler 7:</i> 20-33
The status of Bassian and Russet-tailed Thrushes in the Hunter Region	Williams, D.	2013	<i>The Whistler 7:</i> 34-37
Initial findings from a study of Grey-tailed Tattlers in Port Stephens	Wooding, L. and Stuart, A.	2013	<i>The Whistler 7:</i> 38-43
Opportunistic response of bird species to a wildfire in saltmarsh at Ash Island	Kyte, R. and Newman, M.	2013	<i>The Whistler 7:</i> 44-49
Dollarbird departure from the Hunter Region in 2013	Newman, M.	2013	<i>The Whistler 7:</i> 50-53
Sunning behaviour in Noisy Miners	Kyte, R.	2013	<i>The Whistler 7:</i> 54
Association between breeding Noisy Miners and Grey Butcherbirds and the adverse impact of understorey	Newman, M.	2013	<i>The Whistler 7:</i> 55
Unusual behaviour between Grey-tailed Tattlers	Wooding, L.	2013	<i>The Whistler 7:</i> 56
Scarlet Honeyeaters taking shelter	Stuart, A.	2013	<i>The Whistler 7:</i> 57
Changes in Cattle Egret breeding at Gloucester in response to drought in 2012	Drake-Brockman, P.	2013	<i>The Whistler 7:</i> 58
Association between feeding Hardheads and Hoary-headed Grebes	Roderick, M. and Newman, M.	2013	<i>The Whistler 7:</i> 59
Angry Dollarbirds attacking Brown Goshawks	Newling, G.	2013	<i>The Whistler 7:</i> 60
Do adult and juvenile Horsfield's Bronze-Cuckoos interact?	Newling, G.	2013	<i>The Whistler 7:</i> 60
The birds of Wirrumbirra, Laguna	Raine, D.	2014	<i>The Whistler 8:</i> 1-9
Early Hunter Region avian records Part 3. A review of historical data about shorebirds in the Hunter Estuary	Stuart, A.	2014	<i>The Whistler 8:</i> 10-22
Worimi Conservation Lands bird surveys (2009 – 2013)	Lindsey, A. and Newman, M.	2014	<i>The Whistler 8:</i> 23-32
Fairy Martin – is it declining in the Hunter?	Newman, M. and Lindsey, A.	2014	<i>The Whistler 8:</i> 33-38
Birds of the Black Rock area near Martins Creek in the Hunter Valley	Newman, M.	2014	<i>The Whistler 8:</i> 39-50

(1999 – 2013)			
Book Review – An Atlas of the Birds of NSW and the ACT, Volume 1	Fraser, N.	2014	<i>The Whistler</i> 8: 51-53
Up-down display of Black-necked Stork at Hexham Swamp, Hunter Wetlands NP, NSW	Warnock, R.	2014	<i>The Whistler</i> 8: 54-55
Observation of a White-bellied Sea-Eagle taking submerged seabird prey	Roderick, M.	2014	<i>The Whistler</i> 8: 56-57
Observations of a Regent Honeyeater performing mimicry of a Little Wattlebird	Roderick, M.	2014	<i>The Whistler</i> 8: 58-59
Cattle Egret – a brief note on the fourth consecutive breeding event at Gloucester, NSW	Drake-Brockman, P.	2014	<i>The Whistler</i> 8: 60-61
Channel-billed Cuckoos performing a previously undescribed courtship display	Merrett, S.	2014	<i>The Whistler</i> 8: 61-62
Bird species at Charlestown Golf Course, NSW	Feletti, G.	2015	<i>The Whistler</i> 9: 1-9
Varied Sittellas in the Hunter: distribution, habitat and threats	Newman, M.	2015	<i>The Whistler</i> 9: 10-22
Swifts over the Hunter Region	Tarburton, M.	2015	<i>The Whistler</i> 9: 23-27
Bird surveys at Curracabundi National Park (2010 –2013)	Drake-Brockman, P.	2015	<i>The Whistler</i> 9: 28-37
Bird surveys of Cattai Wetlands (2006 –2014) on the mid-north coast of New South Wales	Carlson, A.	2015	<i>The Whistler</i> 9: 38-55
Bird surveys in Saltwater National Park	Stuart, A.	2015	<i>The Whistler</i> 9: 56-60
Red-browed Finch include amphibian larvae in diet	Hosken, B.	2015	<i>The Whistler</i> 9: 61-62
Noisy Miner lacking grey plumage pigmentation	Newman, M.	2015	<i>The Whistler</i> 9: 62
Increased understorey causes demise of mixed species flocks at Green Wattle Creek	Newman, M.	2015	<i>The Whistler</i> 9: 63-64
Farewell Max	Newman, M.	2016	<i>The Whistler</i> 10: 1-2
Raptor observations at Morpeth Wastewater Treatment Works (2001-2015)	Newman, M. & Lindsay, A	2016	<i>The Whistler</i> 10: 3-12
Insights into Hunter Region birdlife using BirdLife Australia Atlas project data	Williams, D. & Stuart, A.	2016	<i>The Whistler</i> 10: 13-18
Rose Robins in the Hunter Region	Stuart, A. & Williams, D.	2016	<i>The Whistler</i> 10:

			19-23
Black-eared Cuckoo; mimicry of host's juvenile plumage facilitates parasitism of Speckled Warblers	Newman, M.	2016	<i>The Whistler 10:</i> 24-27
Birdlife at Belmont Lagoon: past and present (Appendix appears on pages 68-70 of Whistler 10 web pdf)	Feletti, G.	2016	<i>The Whistler 10:</i> 28-32
Threatened bird species in the Hunter Region: 2016 status review	Roderick, M & Stuart, A.	2016	<i>The Whistler 10:</i> 33-49
Selection of nocturnal roost sites by waders in the Hunter Estuary	Richardson, A.	2016	<i>The Whistler 10:</i> 50-51
Roosting oystercatchers at Swan Bay, Port Stephens, NSW	Wooding, L.	2016	<i>The Whistler 10:</i> 52-54
New Australian White Ibis rookery at Salamander Bay	Wooding, L.	2016	<i>The Whistler 10:</i> 54-55
Adoption of Laughing Kookaburra chicks	Drake-Brockman, P.	2016	<i>The Whistler 10:</i> 56
Raptors of estuarine Port Stephens	Stuart, A.	2016	<i>The Whistler 10:</i> 57-58
Black Kite breeding – a first for the Hunter Region	Alexander, P.	2016	<i>The Whistler 10:</i> 58-59
Roosting waders attacked by Peregrine Falcons	Richardson, A.	2016	<i>The Whistler 10:</i> 60-61
Book Review An Atlas of the Birds of NSW & the ACT, Volume 2	Fraser, N.	2016	<i>The Whistler 10:</i> 61-62
Brahminy Kite nesting at Port Stephens, NSW: extension of southerly breeding range	Wooding, L.	2017	<i>The Whistler 11:</i> 1-9
Observations of Noisy Pitta nestlings through to fledging	Kyte, R.	2017	<i>The Whistler 11:</i> 10-14
Observations of Little Tern nesting at Winda Woppa, Port Stephens, 2016-2017	Fraser, N.	2017	<i>The Whistler 11:</i> 15-25
A record (2002-2009) of the birds of the Tank Paddock site within the Green Corridor, Lower Hunter Valley NSW	Powers, J. and Date-Huxtable, L.	2017	<i>The Whistler 11:</i> 26-35

Birds of Forest Road, Duns Creek 2008-2014	Newman, M.	2017	<i>The Whistler</i> 11: 36-45
Results from surveys for terrestrial birds on Broughton Island, 2012–2016	Stuart, A., Clarke, T., van Gessel, F., Little, G., Fraser, N. and Richardson, A.	2017	<i>The Whistler</i> 11: 46-53
Comparison of two ephemeral wetlands in the lower Manning Valley	Stuart, A.	2017	<i>The Whistler</i> 11: 54-56
Brush Bronzewing at Belmont, NSW: recent field notes	Feletti, G.	2017	<i>The Whistler</i> 11: 57-59
Cooperative feeding among juvenile Australasian Figbirds	Nichols, J. and Williams, A.	2017	<i>The Whistler</i> 11: 60
Fledging of Galahs nesting in a suburban environment near Newcastle, NSW	Pryor, K.	2018	<i>The Whistler</i> 12: 1-6
Winners and losers – Changes in the bird population on removing cattle from woodland near Paterson	Newman, M., Cunningham, R.	2018	<i>The Whistler</i> 12: 7-15
Geolocators track Ruddy Turnstone to Newcastle, NSW en route to King Island (Tasmania)	Gosbell, K., Lisovski, S., Minton, C.	2018	<i>The Whistler</i> 12: 16-21
Do nest boxes facilitate breeding success in the Hunter Valley? Common Mynas versus native parrots	Lermite, F. Griffin, A.	2018	<i>The Whistler</i> 12: 22-26
Early Hunter Region avian records. Part 4: 1951-1980 Articles in <i>The Emu</i>	Stuart, A.	2018	<i>The Whistler</i> 12: 27-34
Some observations of Australian Pied Oystercatcher on Worimi Conservation Lands	Fraser, N. Lindsey, A.	2018	<i>The Whistler</i> 12: 35-42
Birdlife at Belmont Wetlands State Park	Feletti, G.	2018	<i>The Whistler</i> 12: 43-49
The birds of Mambo Wetlands Reserve, Port Stephens	Fraser, N.	2018	<i>The Whistler</i> 12: 50-58
Does the Black-headed Pardalote <i>Pardalotus striatus melanocephalus</i> occur in the Hunter Region?	Stuart, A.	2018	<i>The Whistler</i> 12: 59-60
Some recent breeding observations of threatened shorebird species in Port Stephens	Fraser, N. Stuart, A.	2018	<i>The Whistler</i> 12: 61-62

Latham's Snipe counts at Irrawang Swamp, NSW	Maddock, M. and Newman, M.	2018	<i>The Whistler 12:</i> 63-65
Brahminy Kites: two consecutive breeding seasons at Port Stephens NSW, compared	L. Wooding	2019	<i>The Whistler 13:</i> 1-9
A baseline study of the birds of Tahlee and surrounds (north-western Port Stephens, New South Wales)	S. Fleming	2019	<i>The Whistler 13:</i> 10-15
Cattle Egret colony at Cundletown NSW	A. Stuart	2019	<i>The Whistler 13:</i> 16
Beach Stone-curlew at Soldiers Point, Port Stephens: breeding records and behavioural observations	T. Murray	2019	<i>The Whistler 13:</i> 17-21
Colonial nesting birds at the Hunter Wetlands Centre	G. Nicholls	2019	<i>The Whistler 13:</i> 22-23
Movements of an immature Black-necked Stork taken into care and later released	A. Lindsey	2019	<i>The Whistler 13:</i> 24-25
Spring bird surveys in the Gloucester Tops	A. Stuart and M. Newman	2019	<i>The Whistler 13:</i> 26-34
Occupancy at two Rufous Scrub-bird territories in the Gloucester Tops	A. Stuart	2019	<i>The Whistler 13:</i> 35-37
Observations of Black-necked Stork breeding in the Hunter Estuary at Tomago NSW	A. Lindsey	2019	<i>The Whistler 13:</i> 38-49
Mimicry in Regent Honeyeaters: is it really mimicry after all?	R. Crates	2019	<i>The Whistler 13:</i> 50-55
Recent high counts of Sharp-tailed Sandpiper in the Hunter Estuary	A. Stuart	2019	<i>The Whistler 13:</i> 56-61
Changes in wetland use by shorebirds following mangrove removal, Area E, Ash Island, New South Wales	P. Reid	2019	<i>The Whistler 13:</i> 62-68
Why is the Pallid Cuckoo declining in the Hunter Region, but relatively stable in Tasmania?	M. Newman	2019	<i>The Whistler 13:</i> 69-80
Foraging behaviour by Grey Fantail at the Sugarloaf State Conservation Area, NSW	R. Kyte	2019	<i>The Whistler 13:</i> 81-82
A review of Sooty Oystercatcher on the Hunter Region coastline of New	L. Wooding	2019	<i>The Whistler 13:</i>

South Wales, Australia			83-93
Juvenile Channel-billed Cuckoo: some behavioural observations	A. and R. Fawcett	2020	<i>The Whistler 14:</i> 1-4
A breeding record for Topknot Pigeon in the Hunter Region	D. Turner	2020	<i>The Whistler 14:</i> 5-6
Comparisons of bird species recorded in surveys of Booti Booti National Park undertaken 27 years apart	D. Turner	2020	<i>The Whistler 14:</i> 7-21
Update on breeding activity by threatened shorebird species on Corrie Island, Port Stephens	N. Fraser	2020	<i>The Whistler 14:</i> 22-24
Of Fennel and birds	T. Kendall	2020	<i>The Whistler 14:</i> 25-27
Rufous Scrub-bird population trend in the Gloucester Tops: results from 2010-2019 monitoring program	A. Stuart	2020	<i>The Whistler 14:</i> 28-34
A review of Australian Painted-snipe records in the Hunter Region, 1966-2020	N. Fraser	2020	<i>The Whistler 14:</i> 35-43
Book Review: An Atlas of the birds of NSW and the ACT, Volume 3	N. Fraser	2020	<i>The Whistler 14:</i> 44-45
Expansion in the range of the Spiny-cheeked Honeyeater in the Hunter Valley – an example of the use of time-variant distribution maps to study Hunter Region species	D. Williams	2020	<i>The Whistler 14:</i> 46-47
Nocturnal detection of Australian Little Bittern and Australian Painted-snipe - prospects for nocturnal survey methods for rare wetland birds	C. Beranek	2020	<i>The Whistler 14:</i> 48-53
Port Stephens shorebird and waterbird surveys 2004-2020	A. Stuart	2020	<i>The Whistler 14:</i> 54-69
A second successful breeding record for the Black Kite in the Hunter Region, NSW	K. Pryor	2020	<i>The Whistler 14:</i> 70-75
Comparing changes in the abundance of woodland birds in the Hunter Region of New South Wales	M. Newman	2020	<i>The Whistler 14:</i> 76-85
Breeding record of Black-necked Stork in Hexham Swamp near Newcastle,	A. Lindsey	2020	<i>The Whistler 14:</i>

NSW			86-89
Recent nesting records for Sooty Oystercatcher within the Broughton Island group	N. Fraser	2021	<i>The Whistler</i> 15: 1-5
The Birds of Tomago Wetland after reinstatement of tidal flushing	A. Lindsey	2021	<i>The Whistler</i> 15: 6-26
Broughton Island raptors	N. Fraser	2021	<i>The Whistler</i> 15: 27-36
Land birds of Little Broughton Island	M. Schulz and S. Callaghan	2021	<i>The Whistler</i> 15: 37-38
Bird surveys of Blue Gum Hills Regional Park 2012-2016	G. Little	2021	<i>The Whistler</i> 15: 39-45
Passerines on Broughton Island	A. Stuart	2021	<i>The Whistler</i> 15: 46-52
A twenty-year study of waterfowl <i>Anatidae</i> at Morpeth Wastewater Treatment Works near Maitland, NSW	M. Newman and A. Lindsey	2021	<i>The Whistler</i> 15: 53-64
Targeted surveys for Rufous Scrub-birds in the Hunter Region in 2020	R. Kyte and G. Little	2021	<i>The Whistler</i> 15: 65-77
Hunter River Estuary surveys: Results for large waterbirds	A. Lindsey and A. Stuart	2021	<i>The Whistler</i> 15: 78-96
Is the Bush Stone-curlew about to become extinct in the Hunter Region?	N. Fraser	2021	<i>The Whistler</i> 15: 97-104
Pied Butcherbird prey	G. Stevens	2022	<i>The Whistler</i> 16: 1-2
What time of day does a Gloucester Tops Rufous Scrub-bird sing?	A. Stuart, M. O'Leary and R. Stuart	2022	<i>The Whistler</i> 16: 3-6
An observation of agonistic behaviour by a Dollarbird	N. Fraser	2022	<i>The Whistler</i> 16: 7-8
Rufous Scrub-bird studies: an assessment of the feasibility of capturing, colour-banding and resighting scrub-birds	R. Kyte and A. Stuart	2022	<i>The Whistler</i> 16: 9-14

Hunter Estuary surveys: results for waterfowl, grebes, crakes, rails and gallinules	A. Stuart and A. Lindsey	2022	<i>The Whistler</i> 16: 15-35
Some observations of the foraging behaviour of the Australian Painted-snipe and the Greater Painted-snipe	N. Fraser	2022	<i>The Whistler</i> 16: 36-49
Azure Kingfisher commensal behaviour	D. Foster	2022	<i>The Whistler</i> 16: 50-52
The status of the Double-banded Plover in the Hunter Region, New South Wales	A. Lindsey and N. Fraser	2022	<i>The Whistler</i> 16: 53-63
A short-term radiotelemetry study of movements by a Lewin's Honeyeater	G. Little	2022	<i>The Whistler</i> 16: 64-65
Effects of human disturbance during residential developments on the productivity of White-bellied Sea-Eagle in the Hunter Region, New South Wales	K. Pryor	2022	<i>The Whistler</i> 16: 66-73
Banding studies on Broughton Island: overview of 2017-2022 results	G. Little and A. Stuart	2022	<i>The Whistler</i> 16: 74-79
Grey Plover in Port Stephens	N. Fraser	2022	<i>The Whistler</i> 16: 80-82
Yaraandoo – how many birds in my patch?	M. Newman and G. Ehmke	2022	<i>The Whistler</i> 16: 83-92
Frugivory in the Laughing Kookaburra associated with artificial food provisioning	M. Mo	2023	<i>The Whistler</i> 17: 1-3
Book Review: The Action Plan for Australian Birds 2020	N. Fraser	2023	<i>The Whistler</i> 17: 4-6
Small crabs; a new prey record for Grey Butcherbird	N. Fraser	2023	<i>The Whistler</i> 17: 7
Changes in avian species diversity following revegetation and an emphasis on sustainability at an East Seaham cattle-breeding property (2004-2018)	T. Kendall	2023	<i>The Whistler</i> 17: 8-24
Salamander Waters Estate: Biodiversity of a highly modified environment	G. Stevens and L. Wooding	2023	<i>The Whistler</i> 17: 25-35

Little Tern breeding on Worimi Conservation Lands, Stockton Beach, summer 2022/23	N. Fraser	2023	<i>The Whistler 17:</i> 36-43
Regular late afternoon assembly by a group of Gang-gang Cockatoo at Martinsville in April 2023	G. Stevens	2023	<i>The Whistler 17:</i> 44-45
Noisy Miner and other species taking processed sugar packets	A. Stuart	2023	<i>The Whistler 17:</i> 46-49
The first confirmed modern record for Pycroft's Petrel in Australia	A. Stuart and T. Clarke	2023	<i>The Whistler 17:</i> 50-53
Introduced avian species in the Hunter Region; ecological threats or benign interlopers?	N. Fraser	2023	<i>The Whistler 17:</i> 54-65
Single-nest brood overlapping in the Galah in the Hunter Region, New South Wales	K. Pryor	2023	<i>The Whistler 17:</i> 66-68
Raptors at Woodville – insights into the difficulties of assessing raptor populations	M. Newman	2023	<i>The Whistler 17:</i> 69-74
A five-year study of the use by Gould's Petrel of artificial nest boxes on Broughton Island New South Wales	A. Stuart, T. Clarke and S. Callaghan	2023	<i>The Whistler 17:</i> 75-83
Site fidelity of the Far Eastern Curlew in the Port Stephens estuary	J. Little, L. Williams, G. Little, T. Clarke, N. Fraser, L. Mee, M. Taylor and A. Griffin	2023	<i>The Whistler 17:</i> 84-87
Two Years of Bird Surveys at Bootawa Dam, Bootawa, New South Wales	A. Carlson	2023	<i>The Whistler 17:</i> 88-96
Fourth and Fifth Confirmed Breeding Records of Black-necked Stork in the Hunter Estuary near Newcastle, NSW	A. Lindsey and R. Kyte	2023	<i>The Whistler 17:</i> 97-101
Unusual prey item for Australian White Ibis: Longfin Eel	A. Stuart, V. Leitch and R. Zimmerman	2023	<i>The Whistler 17:</i> 102-103
Birds of Snapper Island, Port Stephens, NSW	N. Fraser and N. Karlson	2024	<i>The Whistler 18:</i> 1-5
Courtship feeding in the Channel-billed Cuckoo in the Hunter Region, New South Wales	K. Pryor	2024	<i>The Whistler 18:</i> 6-9

First confirmed sighting of a Great Frigatebird within the Hunter Region, NSW	A. Fawcett, I. Benson and M. Roderick	2024	<i>The Whistler</i> 18: 10-13
Same-day fledging of a brood of Galah in the Hunter Region, New South Wales	K. Pryor	2024	<i>The Whistler</i> 18: 14-17
Did Australian Pied Oystercatchers on Lake Macquarie benefit from the 2021 lockdowns?	M. McDonald	2024	<i>The Whistler</i> 18: 18-23
Ground-based crepuscular hunting by the Peregrine Falcon on Broughton Island NSW: records of birds taking Wedge-tailed Shearwater adults	A. Stuart, M. Schulz and M. Schulz	2024	<i>The Whistler</i> 18: 24-28
The status of the White-fronted Chat in the Hunter Region	A. Lindsey and N. Fraser	2024	<i>The Whistler</i> 18: 29-36
First Hunter Region breeding record for Red-chested Button-quail	D. Jenkin	2024	<i>The Whistler</i> 18: 37-38
Estuarine habitat change and its impact on shorebirds at Swan Bay, Port Stephens, NSW	N. Fraser, L. Mee and S. Fleming	2024	<i>The Whistler</i> 18: 39-49
Martindale Valley surveys 2018-2024: insights into seasonal and climatic effects on the valley's bird populations	E. Ridgeway, B. Watts and A. Stuart	2024	<i>The Whistler</i> 18: 50-63
Why has the Whistling Kite population in Port Stephens plummeted?	A. Stuart	2024	<i>The Whistler</i> 18: 64-69
Effect of rainfall on the occurrence and numbers of Red-browed Finches in the Lower Hunter near Paterson	M. Newman and E. Woehler	2024	<i>The Whistler</i> 18: 70-75
Survival and longevity of an oiled Australian Pelican and a summary of recent data for movement by banded birds in the Hunter Region	J. Little	2024	<i>The Whistler</i> 18: 76-79
Silvereyes eating Gahnia seeds	N. Fraser, A. Stuart and M. Spillard	2025	<i>The Whistler</i> 19: 1-2
Peregrine Falcons taking seabirds – a comment on Stuart <i>et al.</i> 2024	S. Debus	2025	<i>The Whistler</i> 19: 3
Using motus automated telemetry to quantify habitat use and movement in a Far Eastern Curlew within the Hunter Estuary, NSW, Australia	A. Griffin, C. Gapes, L. Williams, M. Taylor, R. Kyte, G. Little, and J. Little	2025	<i>The Whistler</i> 19: 4-13

Population trends for the birds of Salamander Waters Estate and comparisons with the nearby Mambo Wetlands Reserve populations	G. Stevens and L. Wooding	2025	<i>The Whistler</i> 19: 14-22
Same, same but different: A comparison of two bird surveys in urban Forster, New South Wales	A. Carslon	2025	<i>The Whistler</i> 19: 23-34
Probable successful double brooding and brooding overlapping in the Galah in the Hunter Region, New South Wales.	K. Prior	2025	<i>The Whistler</i> 19: 35-41
Recent trends for Hunter Estuary waterbird and shorebird populations	A. Stuart	2025	<i>The Whistler</i> 19: 42-49
Large autumn night roosts of Rainbow Lorikeets and other lorikeet species in Raymond Terrace	P. Slack	2025	<i>The Whistler</i> 19: 50-51
Broughton Island: common birds and seasonal visitors	A. Stuart	2025	<i>The Whistler</i> 19: 52-58
Waterbird utilisation of Ross Wallbridge Reserve, Raymond Terrace, New South Wales	N. Fraser and P. Slack	2025	<i>The Whistler</i> 19: 59-62
Can Brahminy Kites survive the urbanization challenge? A review of the factors affecting Brahminy Kites in the Hunter Region and beyond	L. Wooding	2025	<i>The Whistler</i> 19: 63-72
Life on the edge of a flood plain – planting native vegetation to attract birds to a property on a rural subdivision	M. Newman	2025	<i>The Whistler</i> 19: 73-81
Ecological determinants of birdlife on Stockton Beach and the associated dune complex	J. Goswell	2025	<i>The Whistler</i> 19: 82-94
Breeding success of Australian Pied Oystercatchers on Corrie Island and Winda Woppa sandspit, Port Stephens NSW, summer 2024/25	T. Blair, S. Taylor and N. Fraser	2025	<i>The Whistler</i> 19: 95-97
Nest-prospecting Little Shearwater on Broughton Island	M. Schultz and S. Callaghan	2025	<i>The Whistler</i> 19: 98-100
