

2000-2018 publications about birds of the Hunter Region

1. Publications in national/international journals (from 2000 onwards) Contact the relevant author for more details.

Title of article	Author/s	Year	Details
A method for investigating Rufous Scrub-birds using automated recording and rapid, semi-automated data analysis	Stuart, A. and O'Leary, M.	2019	<i>Corella</i> 43 : 57-64
Sizes of some Rufous Scrub-bird singing areas in the Gloucester Tops	Stuart, A.	2018	<i>Australian Field Ornithology</i> 35 : 107-110
Superb Lyrebird <i>Menura novaehollandiae</i> mycophagy, truffles, and soil disturbance	Elliott, T.F. and Vernes, K.	2018	<i>Ibis</i> doi: 10.1111/ibi.12644
Spring bird communities in a high altitude area of the Gloucester Tops, New South Wales.	Stuart, A. and Newman, M.	2018	<i>Australian Field Ornithology</i> 35 : 21-29
Rufous Scrub-bird <i>Atrichornis rufescens</i> in the Gloucester Tops of New South Wales: findings from surveys over 2010-2016.	Stuart, A. and Newman, M.	2018	<i>Australian Field Ornithology</i> 35 : 13-20
Red Knot on migration through the Hunter Estuary, New South Wales.	Crawford, L. and Herbert, C.	2017	<i>Stilt</i> 71 : 14-24
Red-necked Avocet <i>Recurvirostra novaehollandiae</i> in the Hunter Estuary of New South Wales.	Stuart, A.	2017	<i>Stilt</i> 71 : 7-13
A successful long-distance aerial pursuit of an Australian Raven <i>Corvus coronoides</i> by a Brown Goshawk <i>Accipiter fasciatus</i> .	Beranak, C.T.	2017	<i>Australian Field Ornithology</i> 34 : 87-90
Phenology of southward migration of shorebirds in the East Asian–Australasian Flyway and inferences about stopover strategies.	Choi, C-Y., Rogers, K.G., Gan, X., Clemens, R.S., Bai, Q-Q. Lilleyman, A., Lindsey, A., Milton, D.A., Straw, P., Yu, Y-t., Battley, P.F., K, Fuller, R.A. and Rogers, D.I.	2016	<i>Emu</i> , 116 : 178-189
Records of Sharp-tailed Sandpipers <i>Calidris acuminata</i> in the Hunter estuary, New South Wales.	Stuart, A.	2016	<i>Stilt</i> 68 : 18-21

Do Black-necked Storks breed in the Hunter Valley? A comment on Clancy and Kingsford (2015).	Stuart, A.	2016	<i>Australian Field Ornithology</i> 33 : 40
Ravens are a key threat to beach-nesting birds	Rees, J.D., Webb, J.K., Crowther, M.S. and Letnic, M.	2015	<i>Australian Field Ornithology</i> 32 : 100-107
Nocturnal foraging by Grey-tailed Tattlers <i>Tringa brevipes</i> .	Stuart, A., Wooding, L. and Takurou, H.	2015	<i>Stilt</i> 67 : 28-30
Manning Estuary Population Counts 2008-2013	Stuart, A.	2014	<i>Stilt</i> 65 : 38-40
Response of eight bird species to woodland rehabilitation at Green Wattle Creek in the Hunter Region of NSW	Newman, M.	2014	<i>Australian Field Ornithology</i> 31 : 194-207
Significant breeding event of Regent Honeyeaters <i>Anthochaera phrygia</i> near Kurri Kurri, New South Wales, during spring 2007	Roderick, M., Ingwersen, D. and Geering, D.	2014	<i>Australian Field Ornithology</i> 31 : 113-121
Rufous Scrub-bird <i>Atrichornis rufescens</i> monitoring at the extremities of the species' range in New South Wales (2010–2012)	Newman, M., Stuart, A. and Hill, F.	2014	<i>Australian Field Ornithology</i> 31 : 77-98
Hunter Estuary Population Counts 1999-2010	Stuart, A., Herbert, C., Crawford, L., Lindsey, A., Roderick, M., McNaughton, N., Powers, J. and Huxtable, E.	2013	<i>Stilt</i> 63-64 : 46-49
Regent Honeyeaters and Eucalypt diversity in the Cessnock area of New South Wales	Roderick, M.	2013	<i>Australian Plant Conservation</i> 22 : 9-11
Seabird Islands. Gandja-baa, Broughton Group, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2013	<i>Corella</i> 37 : 69-70
Seabird Islands. North Rock, Broughton Group, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2013	<i>Corella</i> 37 : 44-46
Seabird Islands. Little Broughton Island, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2013	<i>Corella</i> 37 : 41-43
Seabird Islands. Inner Rock, Broughton Group, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2013	<i>Corella</i> 37 : 21-22
Seabird Islands. Looking Glass Isle, Broughton Group, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2013	<i>Corella</i> 37 : 19-20

Seabird Islands. Broughton Island, New South Wales	Carlile, N., Priddel, D. and Callaghan, S.	2012	<i>Corella</i> 36 : 97-100
Fluctuations in numbers of Grey Fantails in the Hunter Region of New South Wales	Newman, M.	2012	<i>Australian Field Ornithology</i> 29 : 57-76
A ten-year study of shorebirds at the Morpeth Wastewater Treatment Works near Maitland in New South Wales	Newman, M. and Lindsey, A.	2011	<i>Stilt</i> 60 : 37-45
Shorebird Surveys at Port Stephens, New South Wales 2004-2011 and Comparisons with Results from Previous Surveys	Stuart, A.	2011	<i>Stilt</i> 60 : 14-21
Australian Pied Oystercatchers <i>Haematopus longirostris</i> in the Hunter Region of New South Wales, Australia	Stuart, A.	2010	<i>Stilt</i> 57 : 18-20
Survey of the Shorebirds of Port Stephens, February 2004	Stuart, A.	2005	<i>Stilt</i> 47 : 20-25
A trial translocation of Gould's Petrel (<i>Pterodroma leucoptera leucoptera</i>)	Priddel, D. and Carlile, N.	2001	<i>Emu</i> 101 : 79-88
Bird surveys at Morpeth wastewater treatment works during 2001	Newman, M. and Lindsey, A.	2002	In the 2001 Hunter Region Bird Report No. 9 (Ed. A Stuart) pp 74-76
Heron in Australasia and Oceania	Maddock, M.	2000	In "Heron Conservation" (Eds J. A. Kushlan and H. Hafner) pp 123-150. (Academic Press: London).
Feeding ecology of Latham's Snipe <i>Gallinago hardwickii</i> in the Lower Hunter Valley	Todd, M.	2000	<i>Emu</i> 100 : 133-138

2. University Theses and Major Reports (from 2000 onwards) Contact the relevant author for more details.

Title of Thesis / Report	Author/s	Year	Details
TBA (it's about Common Mynas)	Lermite, F.	2018	PhD thesis, University of Newcastle, New South Wales
Swift Parrots and Regent Honeyeaters in the Lower Hunter Region of New South Wales: an assessment of status, identification of high priority habitats and recommendations for conservation	Roderick, M., Ingwersen, D.A. and Tzaros, C.L.	2013	Report for Sustainable Regional Development Program. Department of Sustainability, Environment, Water, Population and Communities. BirdLife Australia, Melbourne
Trends in the local abundance and geographic distribution of the Rufous Scrub-bird	Williams, L.	2012	Macquarie University Honours thesis
Migratory shorebird ecology in the Hunter estuary, south-eastern Australia	Spencer, J.	2010	PhD thesis, Arts and Sciences, Australian Catholic University, Sydney, New South Wales
Seabirds of the Hunter Region	Stuart, A.	2010	HBOC Special Report No. 5
Colonial Waterbirds in the Lower Hunter:	Maddock, M.	2009	Project Egret Watch Annual Report 2009. (Hunter Wetlands Centre Australia: Shortland.)
Colonial Waterbirds in the Lower Hunter:	Maddock, M.	2009	Project Egret Watch Annual Report 2008. (Hunter Wetlands Centre Australia: Shortland.)
The Occurrence and Detectability of Rare and Common Woodland Birds in the Lower Hunter Region of NSW	Peters, K.	2009	University of New England Honours thesis
Estuarine wetland rehabilitation and ecohydraulics: the links between hydraulics, sediment, benthic invertebrates, vegetation and migratory shorebird habitat	Spencer, J. and Howe, A.	2008	Final Report to the Kooragang Wetland Rehabilitation Project and Energy Australia
Hydrodynamics, Geomorphology and Vegetation of Estuarine Wetlands in the Hunter, Australia: Implications for Migratory Shorebird High Tide Roost Availability	Howe, A.	2008	Ph.D. Thesis, Civil, Surveying and Environmental Engineering, University of Newcastle, Australia
Ecological Degradation and Biodiversity Loss in the Hunter Estuary.	Maddock, M.	2008	Monograph Series: Declining Ecological Characteristics and Biodiversity Loss in Lower Hunter Wetlands NSW No. 2. (Hunter Wetlands Centre Australia: Shortland.)

Colonial Waterbirds: Nesting and Roosting in the Lower Hunter Region: A Historical Review	Maddock, M.	2008	Monograph Series: Declining Ecological Characteristics and Biodiversity Loss in Lower Hunter Wetlands NSW No. 1. (Hunter Wetlands Centre Australia: Shortland.)
Distribution, Abundance and Status of Birds in the Hunter Estuary	Herbert, C.	2007	HBOC Special Report No. 4
Birds of Newcastle's Coastal Rock Platforms	Herbert, C.	2006	HBOC Special Report No. 3
Summer distribution and movement of Bar-tailed Godwit (<i>Limosa lapponica</i>) in the Hunter Estuary, and their behavioural responses to disturbances at diurnal roost sites	Foate, M.	2005	University of Newcastle Honours thesis
Ecological Niche of the Bar-tailed Godwit (<i>Limosa lapponica</i>) in the Hunter River Estuary: Behavioural Use of Different Habitats	Richardson, A.	2004	University of Newcastle Honours thesis
The Shorebirds of Port Stephens	Stuart, A.	2004	HBOC Special Report No. 2
Rehabilitation of Waterbird Habitat on Ash Island	Hutchison, A. and Morris, A.	2003	Final Report, EPA Environmental Trust Grant 1998/RR/G001, Birds Australia Southern NSW & ACT Group
Birds of Ash Island	Stuart, A.	2002	HBOC Special Report No. 1

3. Publications in HBOC's journal The Whistler

There is a file on the HBOC website (under Publications/The Whistler) which lists every article published in The Whistler. Copies of the articles are also available on the website.
